

# Animal Liberation NSW Membership Form

Animal Liberation NSW does not receive government grants to continue its campaigns against the exploitation and cruelty to animals in all its many and varied forms. We rely on collective help – both moral and financial – to continue.

At the moment, there is a great deal of interest in animal rights issues and a growth of awareness. We (and the animals) need this to continue – with your help.

Full subscription is \$45, concession for students/pensioners is \$25. You can also become a life member by making a one-off payment of \$1000. You will receive 2 newsletters a year as well as a campaign pack designed to get you active from home. For an ongoing update of campaigns, rallies and items of immediate interest become an email subscriber – (this is free).

I enclose my cheque/money order for \$45/\$25/\$1000 or Fill in Credit Card details below.
